None.

Consideration and approval of accounts for 2024-2025:

Approved by Anna Johnston
Seconded by William Derrick

Consideration and approval of Chair's report 2024-2025:

William thanked everyone for their hard work during the year, particularly their commitment to other groups and to their endeavours to attract new members.

We need to start taking photographs whenever possible.

We are trying to access as many areas as possible, also schools and libraries. Luke has dates and times for library visits.

We had had a finance group meeting but it was felt that too many people were in attendance.

William and Sarah-Jane are both members of Tenants Together.

William is still on TPAS board.

William said that he is quite happy with the way things are going.

He thanked Moira for her hard work as treasurer.

Moira felt that the remit of STA needs to be changed – we need to sit down and have a think about how things can be changed.

Election of Committee for 2025-2026:

Committee members will remain the same as they are at present, hopefully with the addition of new members.

The Annual General Meeting was then closed, to be followed by a Committee meeting to elect office-bearers for 2025-2026 as follows:

Chair	William Derrick, nominated by Margaretanne Browne, seconded by Sarah-Jane Dunbar
Vice-Chair	Margaretanne Browne, nominated by William Derrick, seconded by Moira Robertson
